Subject RE: Site Boundaries Needing Definition in CERCLIS/Costs  
Need To Be Identified

Here are the dates and times I have open this week to meet and discuss site boundaries for Lower Silver Creek, Silver Creek, Silver Maple Claims and Richardson Flat OU1 and OU2:

August 4 - 9:00 - 12:00  
August 5 - 11:30 - 12:30  
August 6 - 7:30 - 11:00  
August 8 - 7:30 - 10:45 or 1:00 - 3:00

It would be useful if Dianna Lim was also with us as we look at the maps so that we all three have the same information at the same time. Thanks.

Subject RE: Site Boundaries Needing Definition in CERCLIS 

The Lower Silver Creek SSID08PL will be archived (there are no outstanding costs), the Lower Silver Creek site will be an OU of the Richardson Flat's tailing site SSID#94. Attached is a Memo to file documenting the archive.

LSCsitearchive.doc

Also I have provided the Site Description and map to identify the location of the Lower Silver Creek Site.

Please let me know if you have any questions or concerns.

Kathy

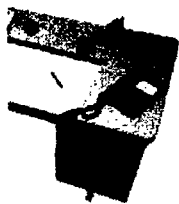

Lower Silver Creek Site Description:

The Lower Silver Creek Site is situated east of Highway 40, bounded by Highway 248 on its southern end and Interstate 80 to the north. It is located in Township 1 South Range 4 East, in Sections 10, 11, 15, 14, 22, 23, 27, 26, and 35, with approximately 500 feet occurring in Section 2 of Township 2 South Range 4 East. The LSC Site ranges in width from 2,100 feet at the southern boundary to 3,800 feet near Pivotal Promontory Road, encompassing approximately three square miles or 1,875 acres.

Subject RE: Site Boundaries Needing Definition in CERCLIS

It sounds like there might be three different CERCLIS sites that are part of the Richardson Flats, SSID 0894:

Silver Creek Tailings	SSID 0837
Lower Silver Creek	SSID08PL
Silver Maple Claims	SSID 08HQ

Subject RE: Site Boundaries Needing Definition in CERCLIS

Kathy - I'm not working on defining the site boundaries for Richardson Flat OU1 and OU2. I'm getting ready to do title work as part of my PRP Search update on this site and am using GIS data to move that part of the update forward.

We do need to define all of the site boundaries for the following sites in CERCLIS (see below) to assure that they do not overlap. If they do overlap, we'll need to figure out what to do about that. I'd suggest providing either legal descriptions or detailed maps of each site to Dianna so she can look at them with you and be satisfied that all of these sites are in fact geographically separate and are described as such in the CERCLIS data base. I would benefit from being included in this conversation with it happens so this

information is in my head too.

Sites We Need To Define Boundaries For In CERCLIS:

SSID# 94 Richardson Flat OU1 and OU2

SSID# ? Silver Creek (Is this a site in CERCLIS? If not, how has Superfund been doing work in the area for so many years?)

SSID# ? Lower Silver Creek (is this an a/k/a for Silver Maple Claims?)

SSID#HQ Silver Maple Claims (is this an a/k/a for Lower Silver Creek?)

Subject RE: How To Set Up Your People Plus 

What else do I need to do as far as setting up an OU with Dianna. I know our GIS people talked, what did you decide we should use as a description (ie legal description) for the site. Currently the "Lower Silver Creek" site in CERCLIS is the one that was set up based on on the IA completed by the State with no associated costs (this area is the same area we are now talking about adding to Richardson, and has no association with the Site that was controversial years ago). The Site that was so contentious was the "Silver Creek Tailings" Site. Do you want us to delete the existing Lower Silver Creek site associated with the IA and develop the new one associated with Richardson?

Subject RE: How To Set Up Your People Plus

Kathy - Roger is an expert RPM in the area of setting up People Plus. Here is an example of what he did for the Lockwood team. If you have questions about what do on this front, I'd say consult with Roger (he's a great guy and explains things really clearly too!).

Talk to you soon!

**MEMORANDUM**

SUBJECT: Archiving Lower Silver Creek #SSID08PL

FROM: Kathryn Hernandez  
Region 8 RPM

TO: File

The Lower Silver Creek site will be addressed as a separate OU under the Richardson Flat's Site ID SSID# 94. The CERCLIS data identifies only pre-CERCLIS activity at the Lower Silver Creek Site SSID#08PL. Therefore SSID#08PL will be archived and any future work will be addressed through the Remedial Program under the Richardson Flat's OU for Lower Silver Creek.
